
Summary

A university graduated student in Information Technology (IT). I like working on projects using Java or J2EE (JSP, Servlet) object-oriented programming, PHP, SQL, HTML, CSS (Bootstrap), JavaScript (JSON, JQUERY, AJAX), SQL (MySQL, PostgreSQL, Oracle) for testing, implementing, and designed front-end pages, websites, and applications. Also, I have a passion in educating kids, teens, and adults on computer technologies.

WORK EXPERIENCE & RELATED EXPERIENCE**Private Tutor & Full Stack Developer** | June 2021 – Present | 1.5

Year | Zenon Zeni Services, Vaughan, Ontario

- Teach about computer technologies, programming (Java), databases (SQL), and web/software development.
