## Summary

---

Currently a 4<sup>th</sup> year honors student in information technology at York University & Tutoring at Code Ninjas on how to program and make software applications. My goal is to become an IT developer that has worked on projects using Java an object-oriented programming language, PHP, SQL, HTML, CSS (Bootstrap), JavaScript (JSON, JQUERY, AJAX), SQL (MySQL, Oracle) for testing, implementing, and designed web pages, websites, and applications. I have personal experience in system administration and designing/testing web IT systems.

## WORK EXPERIENCE & RELATED EXPERIENCE

### Coding Instructor & Curriculum Developer | June 2021 – Present

| 1 Year | Code Ninjas, Vogel Richmond Hill, Ontario

- In-person and virtually develop video games and teach ninjas how to make games, videos, robots.
- Teach how to make JavaScript games, Roblox games and Unity (C#) games.

### Academic Peer Support Assistant | May 2020 – April

2022 | 2 Years | York University, Vaughan, Ontario

- Facilitate study session for students by analyzing, design, develop and test java programs.
- Students who took part of my study sessions do a whole grade letter better in the course.

### Ride Operator | March 2018 – November 2019

| 2 Years | Canada Wonderland, Vaughan, Ontario

- Participated in teams of more than ten and communicate with other associates to operate rides.
- We would follow best practices to meet ride performance goals and safety audits.

### Web Developer | Volunteer | Indigenous Friends | Oct 2021 – Present

- Designing, developing, and deploying an AI Virtual Chat Bot using IBM Watson Assistant.

## Personal and Academic Projects

---

### Portfolio Website Project

Developed a website portfolio at <https://zenonzeni.ca>.

### Web Camping Spot Reservation System (Prototype)

Developed a web-based information system at <http://140.238.158.113/>.

## EDUCATION

---

### Honors Bachelor Information Technology | 2018– 2022 | GPA: B+|

York University, Vaughan, Ontario

## Skills, Knowledge & Tools

---

### Programming Languages and Frameworks
